A must-have in the beauty cabinet, Acu-Klear lotion is for anyone experiencing blackheads, breakouts and oily skin. It's a fast-acting lotion that penetrates deep within the pores to clear the build-up of oil, dead skin cells and bacteria that cause pimples, inflammation and other blemishes.

NEW TREATMENT - BROW LAMINATION

Brow lamination is a semi-permanent treatment that reshapes and sets eyebrow hairs into a desired direction/shape, creating a fuller, more defined appearance. It's essentially a "perm" for your eyebrows, offering a long-lasting lift and shape. This treatment can be particularly beneficial for those with thin, sparse, or unruly brows. Paired best with a tint for those brows on fleek!
