DITCH THE SHAVER FOR SUGAR THIS SPRING

Sugaring is a great way to remove unwanted hair in a more gentle way than traditional waxing. Because it uses only natural ingredients, it is a great choice for those with sensitive skins as well as anyone looking to reduce the pain & trauma experienced during waxing. Hairs become thinner, more sparse & results can last up to 6 weeks.

- Less painful
- Gentle exfoliation for the skin
- Reduced ingrown hairs
- Slowed hair growth
