Qi Beauty Facial

Our customised Qi 24K gold micro magnet matrix is personalised especially to your skin and concerns.

Qi can target all skin concerns and conditions focusing on aging concerns, lymphatic drainage as well lifting and toning concerns of the face & eye area reducing crepey skin. The matrix applied will be discussed and customised with your clinical facialist.

The Qi micro-magnets levitate skin nutrients residing within the skin layers for hydration with nutrient rich Bio-Fluids. Our Qi facial assists skin hydration, recovery and self-repair. Deeply relaxing and meditative, this advanced technology assists homeostasis for healthy skin functioning and increasing collagen production.

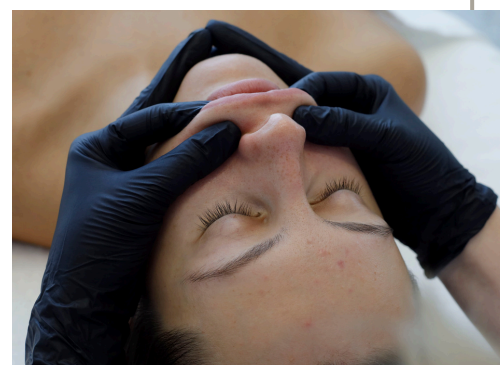

Every treatment will maintain healthy skin flora to restore the skin barrier. This encourages healthy skin texture and colour whilst filling the dermis with water to increase elasticity while under our signature Dermalux Flex Light Therapy.

Neolifting Sculpt & Buccal Facial

By working superficially on the face as well as intra-orally, this treatment gives the prolonged lifting effect to the face, neck & décolletage, propelling the internal resources of the body for natural rejuvenation & recovery. It improves blood circulation and

lymphatic drainage, increases microcirculation in the subcutaneous adipose tissue, activates the metabolism and tissue nourishment improving the skin trophic; to provide facial muscles with the attention they deserve. Often neglected, the muscles within the face require stimulation and movement to maintain tautness and vitality – just like the rest of our bodies.

Working with a deep understanding of the facial muscles and their functions, Allowing the facial muscles to relax and muscle tone to return to normal, Stimulating skin cell regeneration and prevention of wrinkles; This holistic treatment is perfect for those not yet ready to proceed into invasive procedures and perfect for those looking for rejuvenation without injection.

BROW LAMINATION SPECIAL OFFER

Brow lamination is a semi-permanent treatment that reshapes and sets eyebrow hairs into a desired direction/shape, creating a fuller, more defined appearance. It's essentially a "perm" for your eyebrows, offering a long-lasting lift and shape.

This treatment can be particularly beneficial for those with thin, sparse, or unruly brows. Paired best with a tint for those brows on fleek!
