GUESS WHO'S BACK?

DMK's EFA Ultra Supplement are a powerful blend of omega-3, 6, 7 and 9 (most supplements only cover 3 & 6), this supplement has over 190 nutrients and bioactive substances all entirely sourced from plant-based ingredients.

Coconut oil, mekabu seaweed extract, sea buckthorn and evening primrose work to soothe and nourish the body, increase water levels in the skin and improve its structural integrity and barrier function. Designed to support skin function internally, not just surface-level skincare!

- Improve skin hydration + barrier strength
- Balances hormones
- Reduce inflammation and sensitivity
- Reduce acne breakouts and blackheads
- Regulate oil flow
- Support pigmentation
- Improve fine lines, elasticity, and overall skin quality
- Support hair + nail growth

1 OUT OF 2 WOMEN SUFFER FROM URINARY INCONTINENCE

In woman, prior pregnancies, childbirth, and the onset of menopause can lead to Urinary Incontinence. Sometimes, the cause is unknown. It is something that is very common in elderly woman.

Wait a sec... Do you?

- leak when you cough or sneeze?
- leak when you exercise or lift something heavy?
- leak after childbirth and menopause?
- leak after being overweight?
- have sleep disorder caused by weakened bladder?

We have the solution to your bladder control problems!

Our latest technology HIPEX treatment puts your convenience and comfort first, Sit back and relax during your pain-free and non invasive 20 minute treatment. No need to take off your clothes or move your body! Just sit back on our HIPEX Chair & let the magnetic muscle stimulation work its magic!

During the treatment, HIPEX delivers intensive continuous contractions for strengthening, tightening and retraining your muscles without any pain or discomfort! Suitable for both Men and Women!

HIPEX is the best solution for improving bladder control problems and regaining your confidence for a better quality of life!

HIPEX

& CMSlim™ Contouring Master™ HI-EMT™

HIGH INTENSITY PELVIC EXERCISE

For Anybody

Intensive Continuous Contraction

Non Invasive

Remain Fully Clothed

The Kegel treatment and Pelvic floor stimulation have some problems. Kegel treatment has the problem of knowing exactly how to exercise and doing it right. Pelvic floor stimulation has the difficulty of purchasing devices and inserting.

Pelvic Muscle Stimulation For Confidence

Considering these problems, **CMSlim™ puts patient convenience first.** Sit back and relax. There's no need to take off clothes and move your body.

During the treatment, CMSlim™ delivers intensive continuous contractions for strengthening and retraining the patient's muscles.

CMSlim™ treatment method

Before

Pelvic floor muscles weakened by films of aging and environment.

Treatment

Stimulates pelvic floor muscles through an intensive continuous contraction.

After

Contracted muscles restore the bladder to function properly.

For your mum, dad and yourself

CMSlim™ is the best solution for all women who want to solve bladder control problems and better quality of life. After starting treatment with CMSlim™ Experience in pelvic floor muscle contractions by intense electromagnetic occurring in applicators will make you feel that your quality of life improves. It doesn't matter whether you're a male or female, whether you're young or old. Everyone can use CMSlim™ and deserves to regain confidence.
