

Amour Beauty Newsletter

Happy holidays from our family to yours!

It has been an amazing year for us at Amour Beauty, with so many new services and products added to our already extensive list - including Dermafrac, Lash Lift, Hot Stone Massage, Epidermal Levelling, Henna Brows, Peppermint Grove Australia Products and Warpaint natural teeth whitener.

We are consistently updating our training and researching new technologies and treatments, so we can offer them to you at our Salon.

We have had a few changes to our team this year with Ashlee taking over ownership of the Salon at the end of June and Brooke bringing her beauty expertise and joining us at Amour.

After Christmas we say goodbye to Chloe, who has done an amazing job building the Amour business and we wish her all the best for her new life in Queensland.

We are so grateful to our many loyal and valued clients and we feel like you are part of our Amour family. We hope you will continue your journey with our team and we promise many more exciting things to come in 2017!!

Be sure to book your December appointment TODAY! Our appointments are filling up fast so we encourage you to get in quick to avoid missing out.

PRODUCT OF THE MONTH

This month both us and our clients are loving Aspect Golds Envirostat SPF 50+ sunscreen.

Envirostat is a high protection, broad spectrum sunscreen lotion that is water-resistant and lasts four hours. It assists in blocking out UVA and UVB rays, helping to prevent skin cancer. Envirostat also contains moisturiser to reduce the drying of the skin without leaving a greasy feeling of most sunscreens.

Take proper care of your skin this summer!
