## AUGUST NEWSLETTER

Thankfully we are into the last month of Winter. Hopefully the days will begin to get warmer and you can already notice that the days are getting longer.

Your skin is probably feeling a little dry and dehydrated, due to the cold weather outside and the warm heating indoors. Come in and see our therapists to discuss any products or treatments that could benefit your skin and improve any problems you are having.

Although it feels like a long time until Christmas, I'm sure it will arrive before we all know it! We just want to say that we are booking up quickly for appointments in October, November and December. Our clients have been getting in quick and booking their regular appointments all the way through to Christmas, to avoid missing out!!

We would advise you to start doing the same, as we do not want to disappoint anyone, when we are all booked out with no appointments available at this busy time.

When you book your regular appointments all the way through to Christmas, you will get to pick out a special gift from our gift bowl. Appointments can be made by booking online or by ringing or visiting the girls in the Salon.
