EPIDERMAL LEVELLING

- Improve skin texture and tone
- Stimulated collagen synthesis
- Softens and smoothes skin
- Minimizes pore size and appearance

MAKE YOUR DULL SKIN LOOK ALIVE AGAIN!

Winter skin needs lots of TLC as the drying effects of the season takes its toll and makes your skin look and feel dry and dull.

We have put together the perfect treatment package just for you and it includes our fabulous Epidermal Levelling treatment which is a gentle method of deeply exfoliating the skin, removing the dead skin cells and fine hair on the face.

This advanced skincare treatment is pain-free, has no downtime and doesn't use any chemicals, making it perfect for all skin types and conditions

The benefits include:

Fresh silky smooth skin
removes your fine facial hair
makes makeup application smooth
improves your skin texture and tone
diminishes fine lines and wrinkles
enhances skincare serum absorption
removes your dead skin cells
generates new healthy cell growth
and brightens your skin.

Check out our August promotion and book yourself in for this highly beneficial skin treatment and get your skin glowing again!
