SPRING CLEAN YOUR SKIN

EXFOLIATE YOUR SKIN

Exfoliate away dry Winter skin for smooth and hydrated fresh skin. Our **Spring Micro Package** includes a Microdermabrasion Exfoliation together with a Peptide Collagen Mask to give your skin a fresh, dewy glow for **ONLY \$99**

SUNSCREEN IS ESSENTIAL

Here comes the sun! A good quality Sunscreen is one of the most important products you can use to minimise sun damage which causes your skin to age quicker. DMK Soleil Defence SPF 50 Product is perfect to use every day.

EYE CREAM TO PREVENT WRINKLES

The sun is more prominent in Spring so you are more prone to squinting. To combat fine lines and wrinkles around the eyes, and protect from harsh UVA rays, use a good quality eye cream such as DMK Eye Tone which has a high concentration of antioxidants and peptides.

SPRING CLEAN YOUR PRODUCTS

Spring is the perfect time to update your makeup products and colours for a fresh new look and to eliminate germ buildup on old products. Inglot Makeup has beautiful colours and products to suit any skin type. Update your skincare routine with our DMK paramedical skincare products.
