

APRIL NEWSLETTER

UNFORTUNATELY WE ARE CLOSED!

Due to the current Coronavirus threat, we have sadly had to close our doors temporarily!

Hopefully we will be back sooner rather than later to look after you all again.

We are still working hard behind the scenes on the business, with lots of staff training, updating our systems and making fabulous plans going forward when we reopen.

We are open online 24/7 to take your orders for any products you require and you can order by sending us a Facebook message or email anytime.

We can arrange delivery anywhere in Horsham or we can FREE post to other areas.

We are very grateful for your continued support of our small business and we hope everyone stays safe and well and we are all back to normal life again shortly!

Don't just guess your Skin Type, talk to our Dermal Therapist TODAY!

We are offering online personal skin chats with Ashlee to talk about any question, concern or problem you have in relation to your skin or any products you are using.

Click here to book in for a live one-on-one chat today!

We have amazing Paramedical DMK skincare which is all natural and botanical but at the same time 80% active and transdermal which means it treats your skin concerns on a cellular level.

You are never too young or old to up level your skincare regime and start seeing and feeling the results.

Our DMK starter skincare packs which include 4 products start at ONLY \$140!

CLIENT TESTIMONIALS

I have been feeling so confident with my skin lately after using DMK skincare, that I even go shopping without makeup on!

The DMK products are making such an improvement to my skin. They target my skin concerns and reduce blemishes. When I started taking DMK's EFA tablets my skin was brighter & clearer after only a few weeks!

I have never used such amazing skincare products before. You can actually feel them working and improving your skin straight away.

I love it when my friends notice that my skin is glowing and healthy and ask me what I am using on my skin!

PRODUCTS AVAILABLE TO ORDER

DMK Paramedical Skincare is 80% active and effective at treating your skin concerns but uses natural and botanical ingredients.
