UNFORTUNATELY WE ARE STILL CLOSED!

**Due to the current Coronavirus threat, we are still closed temporarily.
Hopefully we will be back again to take care of you soon!**

**We are open online 24/7 to take your orders for any products you require and
you can order by sending us a Facebook message or email anytime.**

We can arrange delivery anywhere in Horsham or we can FREE post to other areas.

We are very grateful for your continued support of our small business
and we hope everyone stays safe and well and we are all back to normal life again shortly!

ARE YOU SUFFERING FROM #ISOSKIN?

Are you dealing with Quarantine Skin? Even if you've been staying mostly inside during the COVID-19 outbreak and not wearing makeup, your skin may be acting out. Increased acne and dry skin are very common, even for people who previously had their skin under control. Diet, Stress and Change in Environment are major contributors. For many people, stress can be a trigger for acne and we are certainly living in stressful times.

Our top 3 products for dealing with your skin in Isolation are:

DMK AT HOME ENZYME FACIAL KIT

DMK makes it simple to perform an amazing skin treatment from the comfort of your own home with great results for fresh, glowing, healthy skin.

EFA SUPPLEMENTS

DMK Essential Fatty Acid Supplements are all natural and provide your body with the essential nutrients it needs for healthy skin, hair and nails. They also internally support our immune system.

REGUL8 RELAX CAPSULES

Relax capsules increase the serotonin & dopamine hormones which make us feel good & happy. They also regulate cortisol, caused by stress and help to balance out our hormones.
