Take advantage of our special Spring Clean offer and book your Free Chat today!

When was the last time you refreshed your old makeup or skincare products?
We have a special offer so you can Spring Clean your old makeup or skincare products, so they are fresh and new for Spring.

Erin is a fully qualified Makeup Artist and is offering a FREE Makeup Chat about which products you are currently using and what specifically would be ideal for you.

She can give you a Colour Match for foundations, powders, eyeshadows and lipsticks. Our incredible Inglot Makeup products are both long-staying and affordable

Or Book a FREE Skincare Chat with Ash and start using the correct skincare customised especially for your skin type.

STOP asking the internet about skincare or following what influencers are using - the products are probably not even suitable for your skin and are more expensive than ours.

Ash is a fully qualified Dermal Therapist and is the only expert you need to ask about skincare. Our incredible DMK products are paramedical and can treat any skin type and condition.

APPOINTMENTS FILLING UP!

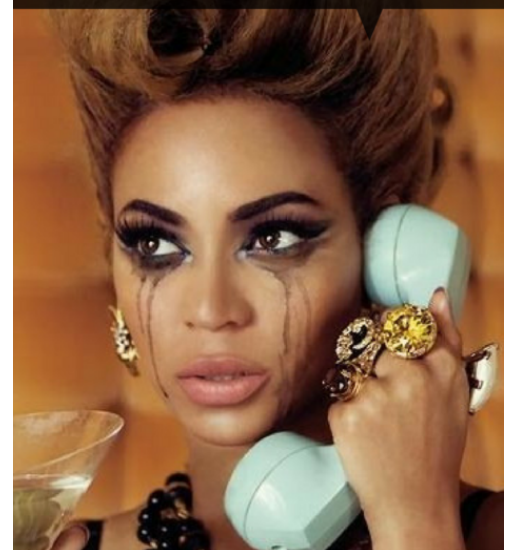

Just to let you know that our girls are booking out quickly for appointments during November and December.
