WARM UP WITH A HOT STONE MASSAGE

WINTER IS HERE IN FULL BLAST AND WHO DOESN'T NEED SOME EXTRA PAMPERING AND WARMING UP?

Happiness is a Hot Stone Massage in Winter!
Warm Up Your Body and Beat the Winter Blues!!

There is nothing more fabulous than a heavenly Hot Stone Massage in Winter to warm, pamper and relax yourself.

A Hot Stone Massage melts away tension and stress, relieves muscle stiffness and increases circulation and metabolism.

The Hot Stones have a sedative effect that promotes extra muscle relaxation allowing access to your deeper muscle layers.

The Hot Stones together with a full body massage provide a very healing experience and the stones also expand blood vessels, which encourages blood flow throughout the body.

COME IN WARM UP & TREAT YOUR MIND BODY & SOUL WITH A BEAUTIFUL HOT STONE MASSAGE IN JULY & RECEIVE \$10 OFF A PURE FIJI PRODUCT!

GENTLE WINTER EXFOLIATION

Please DO NOT use an abrasive exfoliation product with coarse beads or a scrub like St. Ives Apricot Scrub!

These products harm your skin & break-down your skin's natural protective barrier which we need to seal in moisture & protect from damage.

Our DMK Micro Peel product is a gentle non-abrasive exfoliant that works to lift & clear away debris and dead cell material from the skin quickly & easily.

Micro Peel helps to rebalance, refresh and smooth the skin for a fresh glowing complexion.

Recommended for most skin types, Micro Peel helps to revise and refresh dull, coarse or wrinkled skin. Transform your skin from dull to beautifully glowing!

TEEN SKIN CONCERNS

We all know how hard it is for teenagers to fit in and feel comfortable, especially if they have skin concerns during these years.

Having problem skin is a concern that a lot of teenagers have, but we can help them.

We have DMK starter packs which we can customise especially for their skin type, that will give them fabulous results. Having a good skincare program and healthy skin will help to boost the self esteem of your teenager!

You don't have to live with acne or problem skin we can definitely help any skin concern.

Our Therapists would love to have a chat to your teen about their skin!
