PlasmaLift is the only cosmetic treatment to use plasma energy to eliminate excess skin, erase your wrinkles and lift your eyelids INSTANTLY!

There is some downtime with small brown dots visible for a few days, however, this treatment has INSTANT results and only requires one treatment, depending on the severity of the skin concern.

**THIS IS THE ULTIMATE EYELID LIFT TREATMENT!
NO NEEDLES, NO SURGERY!**

PlasmaLift will refresh tired hooded eyes in a flash and lift your brows without the need for surgery! This treatment is also fabulous to lift your top lip to create a beautiful pout. When we age our lips tend to get thinner so this will give you your full lips back.

Another option is the DOTLESS PLASMALIFT which leaves no dots and has no downtime, however up to 4 treatments are required to match the results of the Dot PlasmaLift one treatment.

OBSERV SKIN CONSULTATION

Has it been a while since someone looked over you skin or skin care routine?

Have you been using the same Moisturiser since 2010? If so then it might be time to come in for a professional Skin Analysis.

A skin consultation will identify areas of concern providing strategies to effectively combat ageing, acne, rosacea, pigmentation and any other skin concerns.

Stop wasting your time and money on products that are not suitable for your skin concerns and come to the experts who can help you get your best skin EVER!
