Unfortunately we are only able to have double vaxxed clients in the Salon at the moment due to Government regulations, we are sorry and have no control over these rules. If you are coming in for your appointment please be able to show us your vax certificate.

BODY SUGARING SPECIAL

Miranda is offering a November special offer on a half leg sugaring hair removal for the price of a half leg wax only \$35.

Sugaring uses natural ingredients and is a gentler form of hair removal than waxing, meaning less irritation to the skin.

It also reduces ingrown hairs, leaves your skin silky smooth and exfoliated and in time fewer hairs will grow back and the hair will be finer.

Sugaring removes shorter hairs, so the optimal cycle for sugaring is every 3 weeks.

Our clients who try sugaring never go back to waxing.

Book now and give it a go!
