WARM UP WITH A HOT STONE MASSAGE

Happiness is a Hot Stone Massage in Winter!
Warm Up Your Body and Beat the Winter Blues!!

There is nothing more fabulous than a heavenly Hot Stone Massage in Winter to warm, pamper and relax yourself.

A Hot Stone Massage melts away tension and stress, relieves muscle stiffness and increases circulation and metabolism. The Hot Stones have a sedative effect that promotes extra muscle relaxation allowing access to your deeper muscle layers.

COME IN WARM UP & TREAT YOUR MIND BODY & SOUL WITH A BEAUTIFUL HOT STONE MASSAGE IN JUNE & RECEIVE \$10 OFF A PURE FIJI PRODUCT!

GENTLE WINTER EXFOLIATION

Please DO NOT use an abrasive exfoliation product with coarse beads or a scrub like St. Ives Apricot Scrub!

These products harm your skin & break-down your skin's natural protective barrier which we need to seal in moisture & protect from damage.

Our DMK Micro Peel product is a gentle non-abrasive exfoliant that works to lift & clear away debris and dead cell material from the skin quickly & easily.

Micro Peel helps to rebalance, refresh and smooth the skin for a fresh glowing complexion.

Recommended for most skin types, Micro Peel helps to revise and refresh dull, coarse or wrinkled skin. Transform your skin from dull to beautifully glowing!
