PRODUCT OF THE MONTH

FOR HER: FIRMATRIX

This premium skin recovery serum works like a dermal filler, without the needles, to visibly restore up to five years of density and volume to facial tissue by stimulating collagen production. It also improves hydration and creates a matrix of vitamins, minerals & antioxidants for optimal skin cell health. Containing Beta Glucan, Vitamin C, high levels of many antioxidants, vitamins A, B, D, and E, plus 60 trace minerals like calcium and magnesium.

FOR HIM: DEEP PORE CLEANSER

Deep Pore is a gentle foaming pH balanced cleanser, with a naturally occurring surfactant designed for any normal, oily or congested skins. The skin is gently detoxified, brightened, hydrated whilst also protecting the skins barrier. Deep Pore can be used as shaving foam to help prevent razor rash & ingrown hairs whilst lifting and loosening cell debris held deep within the pores.
